

Dear Families,

Today [Tuesday, April 7] the San Mateo County Office of Education, in consultation with the San Mateo County Department of Health, announced that the COVID-19 Student Dismissal will extend through the end of the school year.

Your school principals and staff are invested in ensuring that learning continues during this difficult time. Working together and with purpose, we will creatively address the many new issues that come with this extended closure. We will continue to contact you weekly either by phone or during Super Tuesday packet pick ups, and we will keep you informed of any changes we make to better serve your students.

If you have any questions or concerns, please do not hesitate to contact me or your school principal.

Amy Wooliever, Superintendent
