California Department of Education School Accountability Report Card Reported Using Data from the 2014-15 School Year

Published During 2015-16

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements, see the California Department of Education (CDE) SARC Web page at <http://www.cde.ca.gov/ta/ac/sa/>.
- For more information about the LCFF or LCAP, see the CDE LCFF Web page at <http://www.cde.ca.gov/fg/aa/lc/>.
- For additional information about the school, parents/guardians, and community members should contact the school principal or the district office.

DataQuest

DataQuest is an online data tool located on the [CDE DataQuest Web page](#) that contains additional information about this school and comparisons of the school to the district, the county, and the state. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

Internet Access

Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions may include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation, and the ability to print documents.

School Description and Mission Statement - Most Recent Year

La Honda Elementary is a small K-5 rural school of approximately 100 pupils nestled among the towering redwoods and rolling coastal foothills of San Mateo County. On site is a pre-school serving 10-15 children and an after-school care program. Other than a convenience store, post office, fire department, restaurant, and realty office, the nearest towns with a variety of services are approximately 30 minutes away. The pupils, staff, parents, and community participate in school activities, some of which become community events such as the Winter & Spring Music Program, Halloween Carnival, 100th Day, K-1 Circus, Dr. Seuss Day, Walk-a-thon, Talent Show, and the Book Faire. The school enjoys the support of a strong Educational Foundation to initiate and implement curricular enrichment programs such as the library, art, assemblies, garden and music programs. We believe in and respect the individuality and intrinsic value of each child and adult. The strong academic program provides opportunities for individuals to grow in knowledge, to learn problem solving and decision-making strategies, to help themselves and others, to be fair and act responsibly, and to develop creative expression. Our goal is to encourage children to be lifelong learners so that they may lead happy, productive, and responsible adult lives.

School Facility Conditions and Planned Improvements - Most Recent Year

Morning supervision begins at 8:15 a.m. and after-school supervision is from 3:00 p.m. until 3:15 p.m. Students who have not been picked up by this time are sent to our after-school program. Visitors and parent volunteers are expected to visit the office to sign in so that we know who is on campus. Our janitor monitors school grounds and buildings as he cleans on a daily basis, as does the principal. Classrooms are large with many windows. We have sufficient classrooms, playground space, and staff space. Efforts to maintain controlled lighting and building upkeep are a focus. Many beautification projects are led by parent volunteers each year including seeding flower boxes and planters, planting trees, weeding, and painting. A courtyard in front of the lower building is beautifully paved with bricks sponsored by a number of contributing families and businesses.

B. Pupil Outcomes

State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

- Statewide assessments (i.e., California Assessment of Student Performance and Progress [CAASPP], Science California Standards Tests); and
- The percentage of pupils who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study

California Assessment of Student Performance and Progress Results for All Students (School Year 2014-15)

Subject	Percent of Students Meeting or Exceeding the State Standards

English Language Arts / Literacy (grades 3-8 and 11)	51.0%	34.0%	44.0%
Mathematics (grades 3-8 and 11)	51.0%	31.0%	33.0%

Note: Percentages are not calculated when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy. Double dashes (--) appear in the table when the number of students tested is ten or less.

C. Engagement

State Priority: Parental Involvement

The SARC provides the following information relevant to the State priority: Parental Involvement (Priority 3):

- Efforts the school district makes to seek parent input in making decisions for the school district and each schoolsite

Opportunities for Parental Involvement - Most Recent Year

The parents of La Honda School students appreciate the importance of education and value the strong program provided by the school. For the last several years, no fewer than 96% of students’ parents have participated in the twice-yearly parent/student/teacher conferences. The very active Educational Foundation (founded in 1991) supports the school through its fundraising activities and many committees, coordinating services such as room parents, library helpers, book fairs and phone trees; organizing various celebrations and events such as the school picnic, Walkathon, the Halloween Carnival, talent show and field trips as well as implementing curricular enrichment programs like Art-in-Action and place-based education such as our environmental science/nutrition instructor in our school garden. Parents have opportunities to be involved with decision making at the school and district levels by serving as members and school representatives on the school’s Site Council and various district committees. Parents, grandparents and community members are involved as classroom volunteers, participate in school field trips, and support their children’s learning at home.
